### Gazelle Express Services

#### Libya

#### **Weekly Air Freight Into Libya - Now Available!**

Gazelle Express Services is proud to operate weekly air freight services into Mitiga International Airport, Tripoli – directly from Europe, the UK, and the USA.

Our dedicated freighter is an ATR 72-202, featuring a large forward cargo door (294 cm x 180 cm) – ideal for oversized, sensitive, or time-critical cargo.

Whether you're shipping general freight, specialized equipment, or dangerous goods, we ensure fast, secure, and reliable delivery into Libya.

Backed by IATA-certified staff and robust local logistics infrastructure, we provide seamless solutions from arrival to final destination.

- ✓ Weekly ATR 72 freighter service
- ✓ Large cargo door for bulky shipments
- ✓ Full DG handling & customs clearance
- ✓ Direct to Mitiga International Airport (Tripoli)

We believe members of the AOG FREIGHT 247 network can play a key role in promoting this niche service, which remains underutilized despite high demand. Many shippers still use ocean freight due to limited awareness of available air cargo solutions to Libya. This is a mutually beneficial opportunity for both forwarders and carriers.

📦 Now accepting new inbound bookings.

### Elemar International Forwarding Inc

USA – Florida

#### Elemar International's 30-year Anniversary - A Message From Daniel Matos

On February 6, 1995, my father, Victor Matos, built this company from the ground up with fortitude, relentless effort, and an unwavering commitment to service and client satisfaction. As a family-owned business, this milestone is deeply personal, and I want to take a moment to reflect on what it means to me.

As a child, I remember watching my dad work 15-18 hour days, pushing forward through every challenge with sheer determination. At the time, I didn't fully understand the sacrifices he was making, but his work ethic and dedication left a lasting impact on me. One of my fondest memories is the day I got to skip school and spend the entire day with him at the office. He gave me a tour of our office and warehouse in Miami—and even let me climb onto a forklift and drive it around! I remember being in awe of the incredible business he had built. Back then, I had no idea what a gift it would be to one day work alongside him in this amazing industry.

Now, after 10 years of working side by side, I can say that it has been one of the greatest learning experiences and honors of my life. His 50 years in the industry have shaped not only our company but also the way I see business, leadership, and perseverance. I am beyond grateful for the foundation he has laid and for his constant leadership and guidance.

Of course, none of this would have been possible without you—our trusted partners. Through every challenge and success, your support, collaboration, and trust have been instrumental in getting us to where we are today! We are also incredibly fortunate to have an amazing team, whose loyalty and dedication fuel our shared success.

As we celebrate this milestone, I want to extend a heartfelt thank you to each of you. Here's to 30 years of hard work, resilience, and growth—and to many more years of success together!
